

## Carrot, Ginger and Orange Soup

I do need to warn you that I never measure anything when I cook.... So this is approximate!

Slowly fry 2 medium onions in a little olive oil and add 3 garlic cloves

Add 1 large cubed potato

Add 1 lb carrots cut up

Cover with cold water

Add grated ginger (1/2 in) and grated orange skin (1/2) orange

Salt and pepper to taste

1/2 c orange juice

Cook till soft

Process in food processor
